

Dear Parents/Guardians of 6th class,

Warmest congratulations to you all on this very special day.

We have thoroughly enjoyed watching your children flourish during their time here at Scoil Mhuire agus Eoin and we are extremely proud of each and every one of them as they graduate from primary school today. They are an absolute credit to you.

On behalf of all staff, I would like to take this opportunity to thank you, the parents and guardians of rang a sé, for the fantastic support you have shown the school throughout the years. Your cooperation and kindness have always been greatly appreciated and your strong relationship with us has enriched your child's school experience.

I'd like to give a special mention to those of you whose journey ends with us here at Scoil Mhuire agus Eoin today. It has been a true pleasure working with you and we wish you all the very best in the future.

It is a shame that we cannot all gather in person to celebrate these wonderful boys and girls this morning, but I am delighted that we can at least give the children the day they deserve this year and I very much hope you enjoy the graduation surprises on the website.

Have a wonderful day with your very special graduate and enjoy a healthy and happy summer.

**Kind regards,
Maria**
